We are so excited to share our new Travel Trade Microsite with you! We have created this tool to ease access to Travel Trade and destination information. We have included useful tools, facts, and information that will be available to you 24 hours, wherever you are in the world.

Find out about transportation options, where to park, and how to visit the most popular sites. Learn about our Indigenous experiences and sustainability initiatives. Access photos, videos, maps, logos, and brand guidelines. “Visit” Banff and Lake Louise on a virtual FAM tour.
