

NewsyBITS

Dear industry partner,

I am writing to introduce the newly opened Azur Legacy Collection Hotel.

We are a 104-room boutique hotel in the heart of the business district (one block from the Vancouver Convention Centre).

The Azur Legacy Collection Hotel is a proud member of the prestigious LHW Group (Leading Hotels of the World), and the only one in Western Canada with that designation.

We have 102 luxurious suites, and two amazing penthouses. The Azur also has two restaurants (one of them being a rooftop garden restaurant with capacity for 100 people), and a small meeting room with capacity for up to 25 people.

I invite you to visit us for a private tour of our facilities (please, give me 24-hours notice), and to apply for our Tour & Travel rates.

I look forward to meeting you, and to working with you soon!

*Sincerely,
Fernando.*
