Banff and Lake Louise updates

Peaks Hotel & Suites is now open!

The [Banff Park Lodge](#) family have officially opened their mountain-inspired property, [Peaks Hotel & Suites](#). The 71-room hotel features conveniences for travellers such as refrigerators and microwaves in rooms, plus free WiFi. Combined, [Peaks Hotel & Suites](#) and [Banff Park Lodge](#) offer over 300 rooms and 19,000 square feet of function space, making them an ideal choice for conferences and group travel.

Mount View BBQ long table dinners

Beginning in June, [Mount View BBQ](#) will launch a long table dinner option for groups, including refined menus, cocktail receptions, and elegant service, followed by live music and dancing. These packages are available June - September and are for 24 - 55 guests.
