

CPTrip Service Inc.

Staycation Package Promo & Campaign

We are having our website re-designed and re-branded with a focus on staycation packages. This online tour travel store will be available in a few weeks. I'd team up with DMOs, hotels, attraction suppliers, etc. to promote your destinations and to encourage Canadians to explore the best of Canada as soon as it's safe to do so.

Please contact me for collaboration and marketing campaigns, if you are interested.
