
Best Weddings Venue Canadian Rockies - Fairmont Banff Springs

Fairmont Banff Springs is Canada's Castle in the Rockies. This Scottish baronial castle provides the perfect combination of wonder and romance.

To have and to hold – start your journey as a twosome surrounded by mountain majesty. Set your ceremony in an intimate candle-lit corner of the Castle or a lavish ballroom fit for a king and queen. Say your vows under blue skies on the terrace overlooking one of the Rockies' most iconic vistas, then dance the night away in lavish splendor. Our inventive culinary team creates sophisticated locally sourced place-based menus and classic dishes for exquisite banquets. Retreat with your new life partner to a palatial suite and then honeymoon in Banff National Park. It's all here at our landmark mountain resort: classic outdoor adventures, our tranquil Willow Stream Spa and mineral pools, championship golf with one of the planet's best views, top-notch skiing and epic hiking, paddling and whitewater river rafting.
