

From YYC to OMG! Subarctic Discovery: Northern Lights.

Beginning 2024 we are pleased to announce a direct flight from Calgary, Alberta to Churchill, Manitoba where guests can witness the splendor of one of Mother Nature's most beautiful shows: the northern lights.

Dan's Diner

Imagine yourself across the frozen Churchill River amongst friends at an intimate, exclusive and remote dining experience. Dan's Diner allows visitors to experience regionally inspired cuisine in a multi-course curated menu, while they dine beneath the northern lights. This one of a kind culinary experience is included in all Frontiers North Northern Lights trips, including Subarctic Discovery departures.
