## *DoubleTree Fallsview Resort & Spa by Hilton – Niagara Falls*

### *Guestroom Renovation*

*The DoubleTree Niagara Falls completed a full renovation of all guestrooms & suites in February. The hotel took advantage of the down time during the pandemic to take on the messy job of redoing bathrooms and just completed the installation of all new furniture and 55 inch TVs in February. A fresh, nature inspired design theme was selected in keeping with the hotel's Frank Lloyd Wright architecture which focuses on bringing the outdoors indoors.*
