· *News Content:* The Wilson's Group is gearing up for a very busy spring and summer on Vancouver Island and beyond.

This includes the return of Vancouver Island's only inter-city coach service, "We believe The Tofino Bus is a vital link to bridging Vancouver Island for residents and visitors," said John Wilson, President, and CEO of The Wilson's Group. We will have buses hitting the roads starting Friday, March 29 for as long as the market allows us."

Service will grow throughout the spring and summer with a schedule of Victoria to Tofino routes happening Thursdays to Sundays, while travel back down the Island will occur Fridays to Mondays. The northbound buses will also be bringing weekend editions of the Times Colonist to the region on weekends.

"We truly do live in one of the most special places in the world and we look forward to continuing to serve and give back to help connect these communities for many years to come".

Our Hop-On Hop-Off CitySights services will re-launch in March. These iconic double-deckers allow locals and visitors to experience Victoria's iconic sights on board our open-air buses and allow for the flexibility to explore Victoria at your own pace.

Spring is definitely on its way but our Ski Bus to Mount Washington will continue to run until ski season ends in April. There were some interesting winter patterns this year, but skiers and snowboarders are able to enjoy some fantastic runs this season.

The family-owned coach company has been in operation since 1962 and continues to grow based on the success of its charter and scheduled services, delivering people safely and on time. Other Wilson's services include the BC Ferries Connector which transports people between Vancouver Island and the mainland and our charter services which operate throughout Vancouver Island, across BC and beyond.
