

## ROCKPORT CRUISES CELEBRATING 70 YEARS IN BUSINESS.

Rockport Boat Line is a world class leader in tourism with thousands of tourists from all over the world visiting the picturesque historic village of Rockport, Ontario each season. They play a key role in attracting international visitors to the 1000 Islands region offering scenic sightseeing cruises and castle tours, showcasing the famous Boldt Castle on all tours. Group tour specialists for international markets.

Rockport Boat Line was founded in 1954. There was one wooden twin engine boat that carried 47 passengers. Rockport Boat Line has grown into a strong, vibrant company over the years. Today the business includes 4 tour boats ranging from 200-300 passengers, Rockport General Store (Gift and Ice Cream Shop) and the Island View Waterfront Restaurant and Patio Bar.

Rockport Boat Line is proud to be associated with several charities and continues to support many local fundraising activities.

The professional management staff and organized team of employees have built a solid foundation of customer service and quality products and believe that they are their strongest asset with Kathleen Allen, as President and General Manager.
