

HERITAGE PARK CELEBRATES 60 YEARS!

Rendez-Vous Canada 2024

Last May, we were present at RVC Edmonton 2024, where we connected with current and prospective partners, industry friends and colleagues.

Missed us at RVC? Don't worry! Our next appearance will be at:

- CITAP+ Winter Function (December 2024) Vancouver, BC
- ABA Marketplace (February 2025) Philadelphia, PA

National Indigenous Day – June 21st 2024

At Heritage Park, we celebrate the rich heritage and vibrant cultures of the Indigenous peoples of the Treaty 7 Territory every day. On June 21st, we were able to share a full day of learning, an all-day Pow Wow and the 9th Annual Campfire Chats in partnership with the University of Calgary.

Renaming of the Tourism Department at Heritage Park

In alignment with current Industry standards, we have made the decision to re-name Heritage Park's Group Tourism Department to Heritage Park's **Travel Trade Department**. Please welcome Andres Vega who joined us in April 2023 and has recently been promoted to Travel Trade Coordinator, supporting our Tour Operator partners in handling incoming bookings and your planning needs!
